# HANCOCK COUNTY EAGLE

SEVEN NUMBER FOUR

BAY ST. LOUIS, MISSISSIPPI, THURSDAY, SEPTEMBER 29, 1955

Subscription \$2.00 a Year—Single Copy 10c

## Childhood's Greatest Enemy:

### Protection of Child's Heart to Be Stressed At Forum

You know what disease is "Childhood's Greatest Enemy?" It's rheumatic fever. It's not scarlet fever, measles, or polio. It's a disease that has earned the black name of "Childhood's Greatest Enemy" because it is so often its tragic aftereffect. It has been proven that rheumatic fever causes more long crippling illness among children between 5 and 19 years of age than any other malady. Damage from rheumatic fever is one of the most common causes of death among children and young adults, research shows. It can be prevented. If you want to protect your child from this grave threat, if you want to find out the things you should know about rheumatic fever, attend the Heart Fact Forum at Bay High School at 8 p.m. on Oct. 11.

Sponsored by the Hancock County chapter of the Mississippi Heart Association, with Mrs. C. R. Beyer and Mrs. Joseph Kern as special chairmen, this free forum will present four Mississippi doctors in a one-hour discussion of the problem of heart disease, its causes, diagnosis and treatment. Moderator of the panel is to be Dr. Clifford Tillman of Natchez. Other participants are Dr. Wesley Lake of Pass Christian, Dr. George Twente and Dr. Joseph P. Melvin Jr. of Jackson.

Using plain, down-to-earth language, they'll report on the four major diseases of the heart: Arteriosclerosis, or hardening of the arteries; hypertensive, or high blood pressure; congenital, such as the "blue baby," and they'll go into detail on the one form of heart disease which definitely can be prevented.

That's rheumatic heart disease which sometimes follows rheumatic fever, almost always preceded by a streptococcal infection. If you knock out "strep" throat you knock out rheumatic heart disease, the physicians will state. To help stop rheumatic fever, they'll list seven key questions for parents to use as a guide in deciding whether an illness may be strep throat, requiring medical attention.

The heart association sponsored doctors will bring hope for the parent and the child where rheumatic fever has already struck as they tell about the heroic sounding, but practical, surgery which may correct damage by letting the surgeon operate right within the beating heart.

Knowing when to call your doctor and what to tell him about your child's sore throat may save your youngster's life. For this vital information, be sure to attend the free Heart Fact Forum at Bay High.

## THE EAGLE JOINS IN OBSERVANCE OF NEWSPAPER WEEK

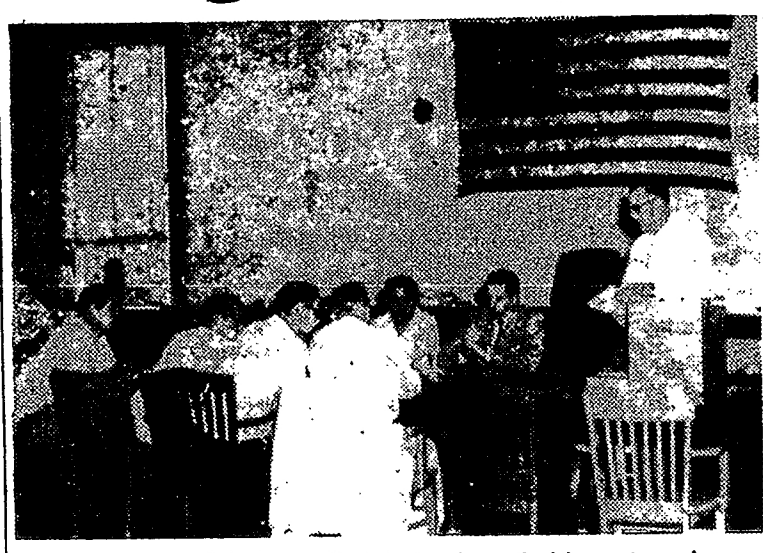

"Your Newspaper Fights For Your Right to Know."

Your newspaper, the Hancock County Eagle, a member of the 90-year-old Mississippi Press Association, will join with thousands of other papers throughout the United States in observing the week of October 1-8 as National Newspaper Week during which newspaper publishers everywhere will rededicate themselves and their institutions to the highest ideals of journalism.

Believing that in this day of growing government agencies and of changes it is more important than ever before in history to fight for the people's right to know, newspapers will feature this theme in the week-long observance during which the public is invited to drop in and see how their favorite medium of communication is put together.

Presidents Eisenhower and other government leaders in city, county, state and nation have taken official recognition of Newspaper Week and will salute the members of the "Fourth Estate" who daily incur censure and even personal danger in the pursuit of their occupation.

### Ballot Check Status Quo As Irregularity Probe In 4th Day

Check of Aug. 23 Primary Ballots for irregularities gets under way Monday in the Courtroom.

### Man Seriously Burned As Boat Explodes

Edward Kimmel Jr., Bay St. Louis, suffered severe burns Tuesday morning when his boat backfired as he was coming in from fishing at the end of the seawall, causing an explosion that set the boat on fire, completely destroying it, as well as throwing the burning man into the water.

The accident occurred about 8:30. Kimmel was rushed by Fahey's ambulance to King's Daughters Hospital where he was treated for burns of the face, chest, arms and abdomen, as well as shock.

According to members of the family he will be transferred later in the week to the Marine Hospital for extended treatment.

Opening the ballot boxes from the election of Aug. 23 on a mandamus granted Gerald V. Price by Judge Leslie Grant last week began Monday morning at the Court House. As of Wednesday afternoon eight of the 25 boxes that will be opened had been checked. No official word on findings of any sort has been issued at his time.

Price, who had filed papers on the successful candidate for the office of Sheriff and Tax Collector, Sylvan J. Ladner, and had been refused an opening of the boxes due to time technicalities, filed a mandamus against the Clerk of Courts. This mandamus was granted by Judge Grant.

Price is searching for any irregularities that might exist in the boxes, which requires a longer and more detailed count than just a recount of ballots.

It probably will be some time next week before any official findings are made public.

Ladner defeated Price in the second Democratic primary by a count of 211 votes.

Joel Blass, Wiggins attorney, is handling the case for Ladner, while Price is being represented by Ed Lindsey of Gulfport.

The eight boxes which have been opened are from Caesar, Flat Top, Aaron Academy, Catfish, North Bay, City Hall, Courthouse and Central School.

Absentee ballots are being closely checked by Price and his associates for irregularities.

## DISTRICT 9 CONFERENCE LEGION AUXILIARY Held in PASCAGOULA

The District 9 Conference of the American Legion Auxiliary was held Tuesday, Sept. 27 at Pascagoula. Unit 139 of Bay St. Louis was rated second in membership in the district with 114 paid members for 1955. Pascagoula was first with 167.

In addition to being second in membership, the local unit received a Unit Hand Book for having the most members present and having traveled the farthest to the meeting.

Attending the conference from Bay St. Louis were Mrs. M. M. Rhodes, Mrs. S. Elliott, Dan Ziegler, Nellie Rhodes, Rene Bermond, Douglas Rhodes, Gordon Romanoff, Albert Biehl, Bert Estapa, Henry Brown, Harold Krankey, Russell Elliott and Joe Compretta.

The meeting was called to order by Mrs. Russell Elliott, District 9 President. Mrs. Gene Phillips, President of Pascagoula Unit, welcomed the guests.

Principal guest speakers were District 9 commander Ralph Van May, Maj. E. A. Hiller, Biloxi, and John M. Leonard, Biloxi VA. Special Service Carl J. R. Leonard, Past Commander and Past Chief de Gare Henry O'Dom, also attending was Miss Anne Magnolia Girls' State Governor who gave a brief resume of the activities during Girls' State Week.

Mrs. A. A. Bush, State Department President, in her speech to all members, in order to keep up with the work of the Auxiliary, to read all papers, National News and Auxiliary section of the Legion News and Mississippi Veteran.

Grand Chief de Gare Henry O'Dom's speech, he stressed the importance of County Government for our high school boys and girls. Each unit was asked to participate in this project. A delicious luncheon was served by the Pascagoula Unit members.

### Kiln Youth Is Snakebite Victim

Carl Moran Jr., son of Mr. and Mrs. Moran of Kiln was bitten Sunday evening by a poisonous snake and was a patient at King's Daughters Hospital where he was administered snake venom for the bite.

The boy, a 12-year-old student of Kiln School, was struck by the reptile on the right foot. The snake was not caught to identify the species, but the intense swelling and pain suffered by the lad determined the fact that the bite came from a poisonous variety.

He was brought to the hospital about eight o'clock in the evening and remained for several days as a patient. He returned home the middle of the week and is reported recovering nicely.

### Legion Ceremony Adds Color Before Local Athletic Events

As part of their Americansism program, Clement R. Bontemps Post 139 of the American Legion will again this year present the Colors before all football games at the local stadium.

The Legion also supplies sound equipment and an announcer for the games.

In connection with the Americansism program, of which Fred Fayard Sr. is chairman, the Legion encourages all schools to have daily Flag Raising Ceremonies. Bay High School has the flag ceremony each morning, a pledge of allegiance to the flag and the playing of the National Anthem over the loud speaker.

All schools who request them may obtain flags from the Legion. The Legion also will supply a record of the National Anthem to any school in the county upon request.

Presenting the Colors of St. Stanislaus Stadium Friday night before the SSC-Vigor game are members of Clement R. Bontemps Post 139, The American Legion. The ceremony, which precedes all SSC and Bay High home games, is part of the Legion's Americansism Program. Taking part are, front row, Sidney Bourgeois, John Rutherford Jr., Frank Taconi, Leroy Luko; back row, Al Vetter, Clois Osadaux, Jim Ploiffer, Bert Estapa.

### Child May Lose Eye As Result Of Play Injury

Don McCulloch Jr., 10-year-old son of Mr. and Mrs. Don McCulloch, may suffer permanent injury to his eye as the result of an accident while playing last Thursday evening on the beach front.

A group of youngsters were playing on the embankment in front of the McCulloch home. They were waging a mock war, pelting each other with lumps of hard clay that has been used as a fill for the embankment of the beach road.

One child threw a lump of clay which hit the McCulloch boy in the eye, lacerating the cornea. Some of the loose particles of the clay also lodged in the cornea.

The boy was rushed by his parents to Gulfport for medical treatment.

On Tuesday the patch was removed from his eye by the attending doctor, but so far vision has not returned to the injured eye. The doctor told the boy's parents that only time would tell whether or not the injury would be permanent.

## VFW TO MEET OCT. 5 FOR ELECTION, PARTY

The newly-reactivated VFW Post will meet at 7:30 p.m. Wednesday, Oct. 5 on Citizens St. opposite V. J. Piazza and Son.

Boiled shrimp and beer will be served after the meeting, at which new officers will be elected.

All members and eligible voters are cordially invited.

## What Do You Give?

Monday there were calls for nine pints of blood from the local bank and on Saturday of last week three pints were needed and supplied. The bank is running very low, as the demands have been quite heavy on it recently.

A blood drawing to replace the supply will be held at the Youth Center Wednesday, Oct. 19 from 3 p.m. to 9 p.m. It is hoped that every man and woman of the county who is physically able will contribute to this cause which has meant so much in the saving of lives locally.

In addition to the life you save by being a donor, each person who contributes blood will receive as a gift a pound of Union and a pound of Luzianne coffee, contributed by the Merchants and the Riley coffee companies of New Orleans. They will also be given a free ticket to the Star Theatre as a gift from the owner and manager, Joseph Scafield.

### Blood Bank Drawing Slated For October 19

What do you give when you give a pint of blood?

James W. Normand, Chairman of the Hancock County Blood Bank, answered this question as follows:

"Twelve ozs. of water; 2 1/2 ozs. hemoglobin; 1 teaspoon salt; 1 oz. protein; 1/2 oz. iron; small amounts of minerals and vitamins."

"What do you gain when you give a pint of blood?"

"The satisfaction of knowing that your priceless, priceless gift has helped someone to live, for blood saves lives."

"But, it cannot be mined or manufactured. It must come from the veins of healthy men and women who feel concern for the suffering of others, and who know that blood and blood alone can make them whole and well again when it is needed."

"The blood you give helps someone live. Give blood now when the call comes."

### Little Theatre Board Names Remaining Productions

Members of the Bay St. Louis Little Theatre Executive Board met Monday afternoon at the home of the president, Mrs. Frank Kiefer.

Production of the two remaining plays of the current season were discussed. "Harvey" and "The Enchanted Cottage," two plays tentatively scheduled for showing this season, were discarded due to casting and staging problems. In lieu of these two vehicles it was decided to produce "The Torch Bearers," and possibly "The Velvet Glove." The professor of the school furnished the romantic element.

"The Torch Bearers" is one of the most proven successes on little theatre stages in the country. A favorite for years, it deals with a Little Theatre play during rehearsals, and has many delightful aspects of the amateur actor that will ring peals of laughter from an audience, particularly those who have attempted the art of thespians, in non professional theatres. A new slant on staging a show will give an audience an insight to the workings of a stage production before the performance is ready for audience viewing.

It promises an evening of keen enjoyment and should be a natural for this group.

## SJA MOTHERS TO MEET

The regular monthly meeting of the Mothers Club of St. Joseph Academy will be held Tuesday, Oct. 4 at 7:15 in the Library of the school.

All members are urged to attend as final preparations for the annual October spaghetti supper given by the club will be made.

Guest speaker for the afternoon will be the Right Rev. Msgr. Michael J. McCarthy, pastor of Our Lady of the Gulf Church.

## ANNOUNCE BIRTH

Mr. and Mrs. Herman Lott (nee Ethel Lee Nease) of Woods St. Waveland, announce the birth of a son at King's Daughters Hospital Sept. 26. The infant weighed 5 lbs. 13 ozs. at birth.

## EPISCOPAL CHURCH WOMEN TO HOLD CAKE SALE NOV. 22

The Woman's Auxiliary of Chapter 2 of Christ Episcopal Church will hold its annual Cake Sale Tuesday, Nov. 22 at Jitney Jungle from 9 a.m.

### Warns Against Exterminators Operating Without State License

"Beware of termite control operators who do not have licenses from the State Plant Board," warns R. P. Colmer of State College, chief inspector of the Board.

He explained that he knows of several cases of homeowners being gipped this summer by unlicensed operators in several sections of the state.

"If an operator is licensed by the State Plant Board, he will carry identification and proof that he is qualified and bonded for this service," Colmer said. "Furthermore, the State Plant Board will supply you with a list of licensed Termite Control operators if requested."

Colmer said that in 1938 the Legislature passed a law requiring pest control operators to be examined and licensed by the Board.

## BOOKMOBILE VISITS

The Mississippi Library Bookmobile visited the local library Tuesday and left a number of good books for the benefit of the readers.

Among the adult books left are "The Library of Historic Characters and Famous Events," "Modern Art" by Thomas Carran, "John Doolley, a Confederate Soldier," "Discovering Long Island" by Stevens, "Miss Harriet Townshend" by Norris, "The Lost General" by Thane, "Farewell My General" by Seifert, "Bride of New Orleans" by Murphy, "The Book of Games," "The Shining Filly" by Downey.

## APRON SALE

An apron sale by members of Christ Episcopal Church Guild, Chapter 1, will be held on Friday and Saturday Oct. 7 and 8 in front of the Jitney Jungle Store on the corner of Main and Second St.

The sale will open at 7 a.m. and continue through both days or until all stock is sold out.

Last year the aprons were so attractive that during the early part of Friday all stock was exhausted. Any women who desire to purchase one or more of these dainty and useful aprons would be wise to shop early when selections are more available.

## CONFRATERNITY OF CHRISTIAN DOCTRINE NAMES OFFICERS

Recently elected officer of Our Lady of the Gulf Confraternity of Christian Doctrine are:

Warren Carver, president; Mrs. Gertrude Saucier, vice president; Mrs. Charles Beyer, secretary; Arthur Chapman Jr., treasurer; Ed Murtagh, chairman of discussion.

Parish Director of the confraternity is the Rev. John Leonard.

Msgr. Michael McCarthy, pastor of Our Lady of the Gulf Church, met with the group for installation of officers.

Discussion clubs are now organized and the fall session will begin some time in October. Subject of the first discussion will be "Sacraments of the Church."

### Edward DeBoer Dies September 24

Edward DeBoer, born Feb. 9, 1876, died Saturday, Sept. 24 in King's Daughters Hospital.

He was a construction engineer. Funeral services were held from 9 a.m. to 11 a.m. Monday, Sept. 26, at St. Ann's Church and Mass was celebrated at 11 a.m.

### Mrs. Bradford Is Painfully Burned By Hot Grease

Mrs. Ivan Bradford Sr., suffered painful burns Tuesday morning as the result of placing a frozen steak into a skillet of hot grease.

Preparing dinner for the family about 11 a.m. Mrs. Bradford placed the steak into hot grease, which was flaming on the stove. She was given emergency treatment by a local physician, and allowed to return to her home.

Although not serious, the burns caused her considerable suffering.

### MRS. RITA DAMBORINO DIES SEPTEMBER 24

Mrs. Rita Damborino, wife of the late Richard Damborino, died at her residence on Sunday, Sept. 24. A native of Italy, she was 68 years of age.

Funeral services were held on Monday, Sept. 26, at St. Ann's Church and Mass was celebrated at 11 a.m.

Books in the library of the Parish Center held last Wednesday in the County Agricultural Building. —Photo by Durel's Studio

## VELAND

## ANDERSON

by

GEORGETTE B. HALL

Miss Christine Bauer to Villere's Lounge on Coleman Ave. is nearing completion. This new structure is indeed a credit to Coleman Ave. Mr. and Mrs. Oswald Villere will announce their formal opening within the near future. All of Mr. Villere's friends are glad to know that he is home again after being hospitalized for illness.

Christine's many friends will celebrate her birthday on Sunday, Sept. 24, at the home of Mrs. Wimbish, Linda Hunter, Rod Villere and Darryl Boudreau. Mrs. Villere's friends are glad to know that she is home again after being hospitalized for illness.

## MISSISSIPPI FARMERS ARE

## ELIGIBLE TO ENTER

## FORESTRY CONTEST

All Mississippi farmers are eligible to enter a forestry management contest announced today by the Mississippi Forestry Association in cooperation with the Sears-Roebuck Foundation.

Contestants may be the owner or a farm operator who is interested in applying intensive improvement to five selected acres of timber between now and July 1, 1958.

The purpose of the contest is to promote better farm woodland management in recognition of the importance of the State's timber resources to its general economy.

Forestry practices to be considered in selecting one county and five district winners will include tree planting, timber stand improvement by removal of culls and weed species, selective harvesting and, of course, protection from fire, insects, disease and over-grazing.

The contest is sponsored by the Mississippi Forestry Association and the Sears-Roebuck Foundation, with guidance by the Mississippi Vocational Agriculture Department, Illinois Central Railroad, and the Agricultural Workers Coordinating Council of the State.

County committees composed of the membership of the County Agricultural Coordinating Council are being established in each county to receive and act on applications which must be submitted prior to July 1, 1958.

Application forms for entering the contest may be obtained from Area Forester Marion T. Parker, County Agricultural Agent Howard F. Simmons, or any vocational education teacher or public forester in the county.

The county and district winners will be feted to an all expense free day tour of the State in October 1958. This tour will wind up in Jackson during State Fair Week with the winners participating in the Annual Forestry Day Parade and being guests at the Mississippi Forestry Association's Annual Banquet.

Wishes for many more happy birthdays go to Mel Villere who will celebrate his birthday on Oct. 1. Congratulations!

Miss Mary Perkins, principal of the Waveland School, is back at school again after being hospitalized for an infection.

Wishes for many more happy birthdays go to Mel Villere who will celebrate his birthday on Oct. 1. Congratulations!

## LOGTOWN

## Locals

By CLAUDIA MURPHY

Sympathy is extended to the family of Edward DeBor, who passed away at his home Saturday at 11 p.m. Interment was in Logtown Cemetery.

The Frigidaire Co. is putting on a demonstration of electrical appliances at the St. Joseph Parish Hall this Saturday, Oct. 1, at 2 p.m.

There will be an electric mixer and several other items given away.

Mr. and Mrs. Paul Miller of New Orleans are spending a few days with the Carl Millers.

Miss Helen Blackwell of Gaineville was a guest of Misses Viola and Opal Lee over the week end.

Mr. and Mrs. Alonzo Galloway of Bogalusa were guests of the Phonsie Smiths last week.

## SOLAR BATTERY TO POWER TELEPHONE INSTALLATION

The Bell Solar Battery will be placed in service in an experiment near Americus, Ga. Oct. 4, to furnish electrical power to a rural telephone line, it was announced today by J. C. Dabney, of Southern Bell Telephone and Telegraph Co.

This will be the first time the sun's energy has ever been used in such a manner.

This development is a part of the Bell System's continuing research to furnish more and better telephone service to rural areas, Dabney declared.

The experiments are being conducted jointly by the Bell Telephone labs and Southern Bell Telephone and Telegraph Co.

Tin, together with lead, bismuth and cadmium, forms fusible metals with low melting points which are used in automatic fire alarms and sprinkler systems.

## DIDYANO???

## that...

By BOBBIE KAY

SSC's injured football player, Jimmy Grace, who is recuperating at his home in Plaquemine, had two charming visitors this week end to cheer him up—Di Blasi and Janet Genin.

Lotsa peepul had lotsa fun Saturday night at Ivan Bradford's when his parents gave him a SURPRISE! SURPRISE! birthday party.

CONGRATULATIONS to the new class officers at SJA: Seniors, Rusty Breath, president; Jean Patrick, vice president; Betty McCollister, secretary; Theresa Moura, treasurer.

Juniors, Pat Horlock, president; Joan LaParne, vice president; Ollie Morris, secretary; Dolores Greenlee, treasurer.

Sophomores, Margaret Baird, president; Kathy Joyce, vice president; Azalea Favre, secretary; Josie Compretra, treasurer.

Visiting the old home town this week end from college were Andy Lott, Billy Scarborough, Tommy Shaffer, Woody Santa Cruz, Larry Ladner and Kent Sellar.

The tables were turned this week end when SSC came through with a wonderful game and Victory! Congratulations!

Bay High bowed to Leakesville Friday night. Better luck next time, boys.

CONGRATULATIONS to SJA's lovely, Marsha Blaize, on being chosen Forestry Queen for this area.

SSC Juniors will have their first dance of the season this coming Saturday night, so we heehee

Gay R's heart was tres gay this week end... Why???... Lee was in town, of course.

Delta Sigma Chi had their third party of the season Sunday evening at the Youth Center for their rushees... this time lotsa lil girls were running around in burly sacks with weird accessories—bones, etc., mumbling something about VOODOO...

CONGRATULATIONS to our outstanding man-about-town-football-star Billy Rhodes for the bang-up game he played Friday while he was banged-up! He and his Gold Dust-Twin Kenny Artiques are getting to be quite a wonderful combination...

Homecoming queen for SSC will be Eleanor Krieger. Her maid of honor will be Jo Ann Crasto. Maids will be Di Blanchard, Janelle Egloff and Helen Genin.

TOLL FREE TELEPHONE TO PASS IS INAUGURATED

"The extended scope" or toll free service that went into effect midnight Saturday, Sept. 24, is one of many progressive steps taken in Coast communications in recent years," J. C. Dabney, group manager for Southern Bell, said today.

It will enable Bay St. Louis subscribers to talk with subscribers in Pass Christian by simply picking up their telephone and asking for Pass Christian, give her the desired Pass Christian number and she will complete your connection.

If a desired Pass Christian number is not listed in your directory, ask for Pass Christian information operator.

Subscribers served from the Logtown exchange can also talk to Pass Christian without a toll charge. They should first dial zero and ask the Bay St. Louis operator for Pass Christian. When the Pass operator answers give her the number desired in Pass Christian and she will complete the connection.

For numbers in Pass Christian that do not appear in the directory, the same procedure and ask for information.

"If these suggestions are followed, I am sure our subscribers in Logtown as well as those in and around Bay St. Louis will experience no difficulty in taking full advantage of the new toll free

## SUBJECT OF STUDY

## BY COLLEGES

How fast the population is increasing, what is the death rate, and what proportion of the people are migrating—answers to these questions are given in "Mississippi's People, 1950," published by the Bureau of Public Administration, University of Mississippi. This study of birth, death and migration in Mississippi is the second issued under the Mississippi Program in Sociology and Anthropology, approved recently by the Board of Trustees of Institutions of Higher Learning in the State of Mississippi.

According to the joint study, each year in Mississippi the excess of births over deaths is about 40,000 persons.

"The population of the state," say the authors, "would grow very rapidly, except for the fact that more people ordinarily leave Mississippi than move into it."

During the ten year period, 1940-1950, for example, there was a net migration loss of 391,280 persons.

The authors, "would grow very rapidly, except for the fact that more people ordinarily leave Mississippi than move into it."

During the ten year period, 1940-1950, for example, there was a net migration loss of 391,280 persons.

**MISSISSIPPI STATE**  
**DEFENDING FORESTRY**  
Over a hundred students have enrolled in the four-year professional forestry curriculum now being offered for the second year at Mississippi State College. According to Professor Robert T. Clapp, head of the forestry department, "This more than doubles last year's enrollment in our new forestry curriculum," Professor Clapp said. "It indicates a realization of the opportunities in this field."

**COTTON MARKETING**  
As you know, cotton is sold on a basis of grade and staple. Assuming that staple length is almost constant, higher grade cotton will pay off in more money per bale. Grade is based on color, amount of foreign matter in the cotton and in gin preparation. You can get better color by picking cotton promptly, and by all means, before rainy weather sets in. Here is how to get less foreign material in the cotton: Defoliate, pick clean, and do not tramp into cotton wagons or trailers. For smooth preparation, dry dew damp seed cotton four to seven bolls in the sun, dry green seed cotton for 10 days before hauling to the gin. Ask the ginner to gin with a loss seed roll. These seemingly small items add up to quite a bit of money. Based on the loan price for 1 1/16 inch staple cotton, there is \$24.50 difference per bale between strict middling and strict low middling.

**CATTLE LICE CONTROL**  
Recharge that homemade back rubber with a recommended insecticide. This will help keep your cattle free from lice during the coming winter at an extremely low cost to you. Little labor is involved in this method of lice control, as the cattle treat themselves and require no herding. For details, see your local county agent.

**IN THE MATTER OF THE ESTATE OF ALBERT J. HEITZMANN, SR.**  
**NOTICE TO CREDITORS**  
Letters of Administration on the Estate of Albert J. Heitzmann, Sr., deceased, were granted to the undersigned by the Chancery Court of Hancock County, Mississippi, on the 27th day of September, 1955, and therefore notice is hereby given requiring all persons having claims against said estate to have same probated and registered by the Clerk of said Court within six months from this date and failure to so probate and register same in six months will bar the claim.

**Let's take a walk around the NEW '56 FORD!**

1. We'd like to show you some of the things that make the Ford one of America's finest cars... Though it's one of the lowest priced, let's start with these long, low lines. Looks like it has to stand still, doesn't it?
2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at these broad, flat hoods, for example. Here is styling that will stay in style.
3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.
4. The new 202-hp. Thunderbird V-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 170-hp. V-8 in Fordomatic Mainline and Customline models, or Ford's new 137-hp. Six is available in any model.
5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing... to give you added protection in case of an accident.
6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.
7. Here's Ford's new Lifeguard door latch. It's another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

## Kenny Foundation Answers Common Inquiries On Polio

Released by the Kenny Foundation's Medical Staff

Development of polio vaccine has been heralded as a great step forward in the fight against poliomyelitis and has given the world renewed hope that final victory over this disease may ultimately be achieved. Sound estimates, however, are that victory over polio will be in the future.

Q. What are and are not symptoms of Polio?

A. Symptoms: Severe generalized headache, moderate fever, stiff limbs and muscle weakness.

A. Normal Symptoms: Cough, cold, rash on body, redness of the eyes, or swelling of limbs.

Symptoms frequently abate temporarily after an initial illness of about 24 hours recurring within 2 or 3 days.

Q. What precautionary measures should be taken during polio outbreaks or epidemics?

A. Normal precautions against exposure to communicable diseases. Avoid contact with new groups of people and swimming in polluted waters. Guard the cleanliness of everything taken into the mouth. Avoid over fatigue, late hours, worry or irregular living schedules. Removal of tonsils, adenoids or teeth during the polio season may be a factor in exposures and in elective operations a delay to a more

favorable season is considered to be advisable.

Q. What is the Kenny Treatment and who developed it?

A. Briefly, the Kenny Treatment includes first, hot packs and attendant procedures to lengthen shortened muscles. Second, neuro-muscular retraining of the affected parts. The treatment was first developed by the late Sister Elizabeth Kenny.

Q. Where is the famed Kenny Treatment available and who gives it?

A. The Kenny Treatment is available at treatment centers operated across the country by the Sister Elizabeth Kenny Foundation, and is administered under medical supervision by Kenny Therapists. The Kenny Treatment has become generally accepted and is the basis for the best treatment offered polio patients anywhere today.

Q. Why is the Kenny Treatment regarded as the most effective?

A. Because under the Kenny Treatment there is less crippling, less deformity, less pain, less need for braces, better muscle function and there is less surgery required. Complete recoveries under full Kenny treatment have been attained to a degree which was never before believed possible.

## LIVESTOCK DEPARTMENT TO BE ONE OF BETTER EXHIBITS AT FAIR

The Livestock Department of the 1955 Mississippi State Fair is expected to be, according to Paul F. Newell, Leader, Extension Animal Husbandry and General Superintendent of the Department, "one of the better exhibits we have had in a number of years, with the numbers comparable or exceeding those of recent years."

Newell went on to state that of major importance is the fact being exhibited at the fair has shown steady improvement from year to year with the result that those who visit the fair in Jackson, October 10-15, will see livestock which represents the modern type in all divisions. The cattle, hog and sheep shows, representing the meat animal division, are certain to show a high standard of excellence as will the dairy and poultry sections.

The adult section of the dairy cattle division is expected to be stronger than last year, with the junior division almost as strong. Breeds to be represented among the senior entries include Jerseys and Holsteins; Guernsey, Brown Swiss and Ayrshire. Contests in the Junior Dairy Show will be divided into 14 lots, which include two showmanship competitions, one for contestants under 14 years of age and the other for exhibitors 14 years old and under 21.

Premiums in the Junior Dairy Show will amount to \$1,700 while senior entries in the dairy cat-

## \$1.75 PER BUSHEL OFFERED FOR LOBLOLLY PINE CONES

Officials of the US Forest Service and the Mississippi Forestry Commission announced today a simultaneous need of loblolly pine cones for which they will pay \$1.75 per bushel delivered at certain receiving stations.

Both agencies stated that the need for cones of this species is very great. The US Forest Service is in need of 10,000 bushels of the same species. Before any cones will be accepted, however, they must meet certain specifications which have been set up by both agencies. Cone gathering instructions are available upon request from either agency.

Both agencies will begin accepting cones on Sept. 22, at the following receiving stations:

For the US Forest Service, Ashe Nursery, Brooklyn, Miss. G. F. Erambert, Nurseryman, Officer-in-Charge; Rangers at Meadville, Forest, Laurel, Raleigh, Gloster and Land Utilization Project 8, Ackerman, Miss.

Persons collecting cones for the Mississippi Forestry Commission should contact the Area Forester in their county.

Quantity of cones delivered will be determined on the basis of a bushel by volume and not by weight.

For further information, write the division will amount to \$2,900 in prizes.

United Gas will add 50 percent in cost to the premiums offered by the Mississippi Agricultural and Industrial Exposition in the junior show.

## The Pen is Still Mightier

## American Legion AUXILIARY NOTES

Just a reminder that even though the deadline for membership is past for the Fall Conference, the drive is still on. Any one who has not paid their dues, please contact Mrs. Bert Estapa, membership chairman, Phone 1084-W, or attend the next regular meeting of the Auxiliary and pay them then.

The American Legion Auxiliary Unit 139 will entertain the Veterans from Gulfport Veterans Hospital at 1:30 to 4 p.m. Friday, Sept. 30 at the Legion Home.

Any member interested in helping with the entertainment, please be at the Home at that time.

## MISSISSIPPI VETERANS NEWS

The Veterans Administration will pay, not to exceed \$1,500, on the purchase price of an automobile or other conveyance for certain disabled veterans of World War I or the Korean Conflict.

To qualify, the veteran must have service connection on:

- Loss or permanent loss of use of one or both feet or
- Loss or permanent loss of use of one or both hands, or
- Blindness or permanent severe impairment of vision of both eyes.

Permanent impairment of vision is usually considered as existing when there is a central visual acuity of 20/200, or less; in the better eye after correction by glasses or, where there is a visual acuity of 20/200, or more, and the lateral field of vision in the better eye has been markedly restricted.

Applications by eligible veterans for this \$1,500 payment on the purchase of an automobile or other conveyance must be filed with the Veterans Administration:

1. Within five years after Oct. 20, 1951; (This will protect some veterans whose applications were denied in the past because they did not apply before deadlines then in force. Such veterans should now reopen their claims for this allowance at once, since the VA has no authority to make a review of old disallowed claims for automobiles), or

2. Within five years after the veteran's discharge or release from active service if he is not discharged or released until on or after Oct. 20, 1951, or

3. In the case of a veteran whose loss, or loss of use of hand or foot, or whose impairment of vision occurs after his discharge or release from active duty, an application may be filed within three years after the occurrence of the qualifying disability. This takes care of the veteran whose service connected orthopedic, or visual disability, progresses in severity to the extent that an amputation of hand or foot is necessary, or he permanently loses the use of a hand or foot, or he becomes almost blind, within the meaning of the law, or

4. Within one year after a rating by the Veterans Administration granting service connection and compensation on the loss, or the permanent loss of use of a hand or foot, or a permanent, severe impairment of vision. This takes care of the veteran who a number of years after discharge finally convinces the Veterans Administration of his entitlement to service connection and compensation on the loss, or loss of use of a hand or foot, or a permanent, severe impairment of vision. He may make an application for this automobile allowance within one year from the date of the VA rating action granting service connection on the disability making him eligible for the automobile allowance.

For an eligible veteran who has made a timely application, the VA has authority to pay \$1,500 on the purchase price of:

- a. An automobile, or
- b. A station wagon, or
- c. A jeep, without trailer, or
- d. A truck, or
- e. A tractor.

An automobile or conveyance so purchased becomes the personal property of the veteran. The VA is not responsible for its upkeep, repairs or maintenance. The VA does not retain a lien on it, and is not responsible for the payment of any obligation incurred by the veteran incidental to the operation or purchase of the automobile or conveyance. The vet-

This is strictly benefit. One automobile, and only one, may be purchased by a veteran under this law. If the automobile is burned, destroyed, stolen, or otherwise lost, the veteran may apply for a replacement. The law is strictly benefit. One automobile, and only one, may be purchased by a veteran under this law. If the automobile is burned, destroyed, stolen, or otherwise lost, the veteran may apply for a replacement. The law is strictly benefit. One automobile, and only one, may be purchased by a veteran under this law. If the automobile is burned, destroyed, stolen, or otherwise lost, the veteran may apply for a replacement.

**"Owning State Farm auto insurance is like having a friend at your side when you need a friend."**

So states Mr. E. M. Poirat of Golden City, Missouri, in a letter written to his State Farm agent, after payment of a claim.

"The check from State Farm," he continues, "meant more than the money involved. It meant I had insurance when I needed it. I came to the conclusion that when State Farm says protection, it means protection. And it looks like you leaned over backwards to give it to me."

Yes, State Farm auto insurance gives outstanding protection—and at rock-bottom cost. State Farm Mutual keeps accident costs to a minimum. The savings are passed back to the policyholders in the form of low rates. No wonder more car owners insure with State Farm than with any other company! You, too, are invited to apply for membership. Just call:

Mr. and Mrs. Joseph Thianchida and children of New Orleans have returned to Bay St. Louis to make their home at 116 St. Charles St. Their son, Joseph III, is a student at St. Stanislaus.

Mr. and Mrs. Guy Bilups of Hammond, La., with their little daughter, Betty, were weekend guests of Mrs. Billups' parents, Mr. and Mrs. Walter G. Jr. Little Betty remained with her grandparents this week.

**MISS PATRICIA ANN DAILEY BECOMES BRIDE OF ROY E. DISNEY**

Claiming interest on the West Coast as well as in New Orleans and Bay St. Louis was the recent marriage of Miss Patricia Ann Dailey, daughter of Mr. and Mrs. John William Dailey of North Hollywood, Calif., and granddaughter of Mrs. Edward Marlboro Heath Sr. of Bay St. Louis.

The ceremony was performed by the Most Rev. Msgr. H. C. Meade, a life time friend of the bride and her family. It took place in the St. Charles Catholic Church in North Hollywood.

The bride, who has been a frequent visitor in Bay St. Louis as a guest of her grandmother, entered the church on the arm of her father wearing a period gown fashioned of ivory tulle and long sleeves ending in cathedral points and a wide sweeping train. The yoke of the gown was of ivory tulle and reached up to form a high neckline where a strand of heirloom pearls, a gift from the bridegroom's mother, added a magnificent effect.

The skirt of the gown was floor length forming the sweeping train. She wore a full length veil of rosepoint and duchess lace, also a family heirloom, which was held to the head by a pill box also fashioned of the lace. She carried a bouquet of white cymbidium orchids and stephanotis in a cascade arrangement.

Mrs. Peter Heath Dailey, sister-in-law of the bride, was her matron of honor. Miss Beatrice Moroney was maid of honor and Mrs. Roland Miller was bridesmaid. They were identical frocks of lemon yellow colored pure silk and carried bouquets of bronze and gold colored spider chrysanthemums.

Little Camille McCray was flower girl. Norman Palmer was best man to the bridegroom, and Robert Hilton, Robert Vogel were groomsmen with Dr. Terrence Taylor and Ensign Peter Heath Dailey ushers.

Over 400 guests were present at both the church ceremony and at a reception which followed at the Lakeside Country Club.

The young couple left for New York from which port they sail on a honeymoon. They will make an extended tour of the continent by motor.

The bride is a graduate of themums. Little Camille McCray was flower girl.

Norman Palmer was best man to the bridegroom, and Robert Hilton, Robert Vogel were groomsmen with Dr. Terrence Taylor and Ensign Peter Heath Dailey ushers.

Over 400 guests were present at both the church ceremony and at a reception which followed at the Lakeside Country Club.

ENGAGEMENT IS ANNOUNCED

Mr. and Mrs. Joseph Seuzeneau Blanchard of Bay St. Louis announce the engagement and approaching marriage of their daughter, Suzanne Moira, to Mr. Donald Joseph Faust, son of Mr. and Mrs. Erwin John Faust, formerly of Bay St. Louis, now of New Orleans, La.

Miss Blanchard is a graduate of St. Joseph Academy and attended Ursuline College in New Orleans. Her mother is the former Mary Shiba of New Orleans.

Mr. Faust received his BBA degree from Loyola University, where he was a member of Pi Kappa Epsilon Fraternity. His mother is the former Marie Fritsch of St. Louis, Mo.

The nuptials will be solemnized at the Church of Our Lady of the Gulf on Nov. 12 at 7 a.m.

Corvallis High School for girls and the University of Colorado, where she pledged Alpha Phi Sorority. The bridegroom is an alumnus of Harvard and Pomona College and is affiliated with Alpha Gamma Sigma Fraternity.

Attending the wedding from Bay St. Louis was Mrs. Heath, grandmother of the bride, and from New Orleans Mrs. Mary Swift Cullom, a cousin of the bride.

The southernmost source of the Nile River, the world's longest, is ten tiny springs 6,700 feet above sea level in the central African highlands.

Retail sales on a nationwide basis for all kinds of stores will climb to a new peak this year, it is predicted, with sales near the \$175 billion mark.

## SOUTHERN TO BEEK

## THIRD STRAIGHT VICTORY

## IN CHATTANOOGA GRID MEET

Mississippi Southern seeks its third straight victory Friday night, meeting the University of Chattanooga in the Chattanooga Moccasins at Chattanooga.

The Mocs, according to Southern scouts, have possibly the strongest line the Southerners will encounter this year. To this, Head Coach Thad Vann said, "If their front men are any bigger and stronger than Louisiana Tech's were, we'll be in for a rough night."

Southern edged Tech 7-6 last Saturday, with Fullback Lawrence Meeks' perfect placement being the difference.

"We expect Chattanooga to be plenty high for us," Vann said before the team left for the Tennessee city. "They have lost two straight this year and we have beaten them five times in the last six years."

## HORSE, HORSELESS

## CARRIAGE COLLIDE

A horse ran over a car in Biloxi during a recent week end. The incident occurred when the animal, owned by Ray Viator, bolted and was running south on Caillavert St., police reported.

The horse "ran over" an automobile driven by Mrs. J. Wesley Dees of Carlton, Ala., causing about \$300 damage to the car.

Police said the horse was to have been used in a firemen's parade and was being trained when it threw its rider and ran away.

Viator, riding another horse, attempted to catch the runaway animal but could not overtake it in time to avoid the accident.

The hood, both windshields and the top of the car were damaged. Police said that the horse was taken to Hattiesburg and died shortly after arriving there.

## LSU ALUMNI TO HOLD ANNUAL FALL BANQUET

Mississippi alumni of Louisiana State University will hold their annual fall banquet at the Heidelberg Hotel Nov. 5.

In line with traditional policy, the Magnolia State Tigers will honor the academic phase of the University with the following speakers:

Gen. Troy H. Middleton, President of LSU; Dr. Henry V. Howe, director of the School of Geology; Dr. Everett Timm, director of the School of Music; and Dr. Paul Y. Burns, director of the School of forestry.

Alumni President E. T. (Mike) Monsour said the program would include a fellowship hour on the hotel roof at 4:45 p.m. and the banquet at 6 p.m. followed by election of officers for 1956.

Reservations may be obtained at \$2.50 each from Douglas P. Starr, secretary-treasurer, 512 Mitchell Ave., Jackson.

Wives, husbands and friends are invited.

## LOCAL MISSIONARY STUDENTS MAKE RETREAT

At St. Augustine's Seminary, 57 students preparing for the priesthood made a 3-day spiritual retreat. The students, who make up the seminary's high school department, began their retreat Thursday night, September 22 and closed it Sunday morning with Holy Mass.

Director of the retreat was the Rev. Joseph A. Francis, SD of Holy Rosary Institute at Lafayette, La.

The retreatants gathered four times a day in the seminary's chapel to hear the inspiring talks delivered by the retreat director. After each talk they were allowed a period of time for prayer and reflection.

The retreat reached its most fervent hour at 8 p.m. on Saturday when all the participants gathered in the chapel's spacious sanctuary to publicly renew their baptismal vows and acknowledge anew their interest in a future missionary career.

School work had already been under way two weeks when the retreat opened for the students. Among the fifty-seven candidates for the priesthood at St. Augustine's are four whose homes are in the State of Mississippi:

John Sudbury, a senior, is from Meridian. Robert Antwine, a freshman, is from Vicksburg. John Saucier, a sophomore, is a local student, the son of Mrs. Gertrude Saucier of 237 St. Charles. Walter Scott Favre, freshmen, also is a St. Louis youngster. His parents, Mr. and Mrs. George Favre, reside at 135 State St.

Other states that claim students at the local seminary are Louisiana, 38; Texas, 6; Alabama, 2; Arkansas, Florida, Michigan and North Carolina, 1 each; and the Canal Zone, 2.

## LOCAL DEALERS TO STATE AUTO MEET IN BILOXI

Bay St. Louis members of the Mississippi Automobile Dealers Association report plans complete for their 14th annual convention to be held at the Buena Vista Hotel in Biloxi Sunday, Monday and Tuesday, Oct. 9-10-11.

More than 350 MADA dealers from all over the state are expected to attend.

## Smokey Says:

IT TAKES PROTECTED FORESTS TO DELIVER CLEAN WATER!

Wan't you help me protect the forest for next summer's vacation?

## BLUE JEANS CLUB MEETS

On Monday, Sept. 19 the Blue Jeans Garden Club of Clermont Harbor held its first meeting of the fall at the home of Mrs. John Borgeas in Lakeshore. With Mrs. William Borgeas as cohostess.

The meeting was presided over by the president, Mrs. John Saucier, with the devotion being given by Mrs. William Borgeas. A new member, Mrs. Buell Jeanfra, was received into the club.

Arrangement judging was as follows: Best potted plant, Mrs. John Borgeas; horticulture, Mrs. Simms; best dried arrangement, Mrs. Rae Cope; Best wild arrangement, Mrs. John Borgeas; best miniature arrangement, Mrs. Ben Peterson.

Mrs. Florence Foegel received the entrance prize. There were 18 members present. Attending were Meses. Alice Agreard, William Borgeas, Ruth Landry, F. O. McCoy, J. P. Rousseau, John Borgeas, H. Ming, Rae Cope, Roy Dennis, Eva Lader, Ben Peterson, Simms, John Saleeby, A. Orr, O. Hankins, Francis Lawton, Florence Foegel and H. Burleigh.

The October meeting will be held at the home of Mrs. Finn with Mrs. Havard Burleigh as co-hostess.

## SCHOOL CLASSES VISIT PARK

Students of the kindergarten and first grade at Christ Episcopal Day School enjoyed a school bus trip to New Orleans on Sept. 27 when they visited Audubon Park zoo as one of the educational outings provided each year by school policy. Best features of the trip, according to enthusiastic reports, were the bus ride itself, the picnic lunch on the park grounds, and the capers of the bears and the monkeys, with the seals and alligators running a close second in popularity.

Children making the trip were first graders Tommy Boyd, David Byrn, Kenny Hill, Glan Pucheu, Garland Reynolds, Ted Ward, Marshall Wilcox, Penny Hand, Kathleen McAuley, Sarah Dale McFarland, Monica Whitfield and Suzanne Whitlock.

Kindergarten pupils included Aaron Adams, Linda Ball, Zach Butterworth, Drew Filligame, Steers, Hotard, Nancy McDonald, Rosemary McFarland, Sally Porter, Toni Pucheu, Jeff

ORANGE CAKE

2 1/2 cups sifted cake flour  
1 1/2 teaspoons baking powder  
1/2 cup orange juice  
1/2 cup orange rind  
1/2 cup sugar  
2/3 cup Kraft Oil  
Sift together the flour, baking powder, soda and salt. Add the oil, milk and orange juice; beat until it forms a very smooth batter. Stir in the orange rind. In a separate bowl, beat the eggs until thick and foamy. Gradually add the sugar and continue beating until very well blended. Fold this egg and sugar mixture thoroughly into the batter. Pour into 2 waxed paper lined 9-inch layer pans. Bake in a moderate oven, 350°, for 30 to 35 minutes. Frost with:

ORANGE FLUFF FROSTING

4 cups sifted confectioners' sugar  
1 cup orange juice  
1 tablespoon lemon juice  
Cream the margarine. Add the orange rind and salt. Add the sugar alternately with the orange and lemon juice. Beat until light and fluffy.
